

Katherine McGilton RN, PhD

Katherine McGilton is an Associate Professor at the Lawrence S. Bloomberg Faculty of Nursing at the University of Toronto and a Senior Scientist at Toronto Rehabilitation Institute. Following completion of her Doctor of Philosophy in Nursing with supervisors Dr. Linda O'Brien-Pallas and Dr. Dorothy Pringle, she was a post doctoral fellow at the Kunin-Lunenfeld Applied Research Unit, Baycrest Geriatric Health Care System. Her current program of research is focused on the development and application of outcome measures in gerontological and rehabilitation practice, and the development of intervention studies that focus on enhancing care between staff and clients and between staff and their supervisors. Dr. McGilton holds an Ontario Ministry of Health and Long-Term Care Nursing Mid Career Scientist Award. She received the Dorothy Pringle Research Excellence Award, Sigma Theta Tau International, Lambda Pi Chapter in 2010. She has worked with policy makers from the Ontario Ministry of Health and Long-Term Care.
